# Using the 3M Cloud Library

The MAIN libraries are please to present the 3M Cloud library which will be replacing over drive as our E-book and E-audiobook vendor. You need your library card and your pin number (your pin number is the last 4 digits of the phone number you gave the library when you got your card) to checkout books. You are allowed to check out 3 items at a time and to have up to 5 on hold at a time. Loan periods are 14 days. **The 3M Cloud Library is not compatible with Kindle Readers; only Kindle Fires will work via the App.**
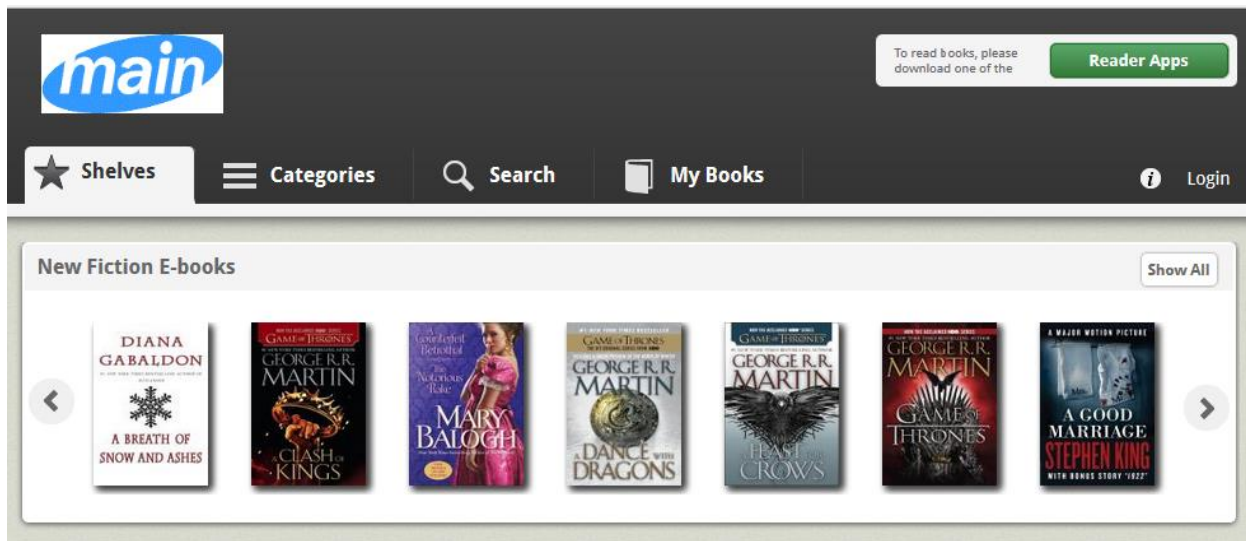

**For further help, click on the *i* icon located on the website and in the app.**

Click on *online support* and you will be taken to a page with videos, FAQs and other documents to help answer your questions. For any other support, please contact the reference desk.

Step 1: Using Ebooks and E-audiobooks on your desktop.

Go to https://ebook.3m.com/library/MAINLibraries/

If you are going to read the books on your desktop computer click the *Reader Apps* button on the top right hand of the screen.

For Windows PCs, click on the *windows* button; for Macs click on the *App Store*.

The PC application has the ability to transfer content to a personal
e-reader using either an existing Adobe ID or using the 3M Cloud
Library ID.

Supported Operating Systems

- Windows 8
- Windows 7
- Windows Vista
- Windows XP SP3

Supported e-Readers

- Nook (original)
- Nook Touch
- Nook Color (must have Nook version 1.41)
- Kobo

Recommended Configuration

The following configuration provides the optimal experience while using
the PC application.

- **CPU:** Dual Core
- **Memory:** 2 GB
- **Available Disk Space:** Minimum 40 MB needed for installation
- **Internet Connection:** Broadband (minimum 1.5 Mbps)

DOWNLOAD APP

Click *Download App* and follow the instructions to download the device.

The 3M app is now on your desktop. From the *Desktop App* you can checkout books, read books, and listen to your books on the desktop. The desktop app will also be what you use to transfer your books to your e-reader device.

From here you can search for an item, click on the item and then click *Check Out*.

The Item will go to your *My Books* tab. To use the item click on it.

E-audiobooks will open up a web-page to listen to the book, and e-books will open in your e-book tab.

Step 2: Placing Holds

If an item you want is already checked out, you can put a hold on it.

Click on *Add to Hold List* the first time you place a hold it will prompt you to activate e-mail notification. *Click Yes, Notify me* and then enter your e-mail address. You will receive a confirmation e-mail address. Click on the link in the e-mail.

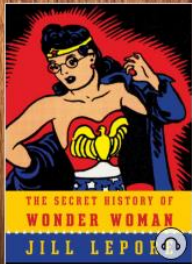

Holds will appear in the *My Books* tab.

To return books early. Click on the *MyBooks* tab and click *list view* then *Return item*.

To change your e-mail address, you can click on *account settings* on the website and in the app.

To transfer to your nook or other e-reader device, plug your device into your PC and open the *3M desktop app*. A green button will appear next to your checked out items that says *download to device*. Click on the button and the item will transfer to your device.

Step 3: Mobile Devices

From the store where you get your apps, search for *3M cloud library*. Download the app.

From the app, click *connect to my library.*

Then select United States, New Jersey, and MAIN Libraries.

Enter your library card number and your PIN number, than agree to the terms and conditions.
